

Attention All Members:

As of **March 1st, 2025**, spending account packages will be changing as we evolve to our next chapter as Mosaik Credit Union. On this date, current accounts will automatically be rolled over into the newly offered accounts. However, if you wish to have your account assessed earlier, new package offerings will begin **January 2nd, 2025**.

Please ask any member of our staff for assistance and we would be happy to show you what packages will be available in the new year.
